Issue 19, April 2004

Well, its time to dust off those paint brushes, pots, ladders and painting clothes 'cos we are in painting mode.

The Camp Sladdin Management Committee will be having a Working Bee at Camp Sladdin on 29 and 30 May 2004.

The Clevedon Scout Group is supplying people-power for the activity and is looking for any offers of help from the wider Clevedon Community. Its exactly five years since April's Angels came to Camp Slad-

din and it's due for another paint and polish.

The exterior of the building will be treated for mildew and washed down the weekend before. We are also looking for any trades-people that might like to help with some of the more specialized jobs that need to be done during both weekends. As well as painting the exterior of the building we will be giving the inside a good Autumn Clean so there are plenty of jobs for anyone that wants to offer over

either weekend. Phone Sez Corney 2987679 and leave a message for cleaning or painting offers or Chips McKinnon 2674745 for specialized assistance.

LOGISTICALLY SPEAKING...

The logistics of having the Cub Pack at camp at Awhitu, and the Scout Troop at camp at Waharau Regional Park for a pioneering camp under canvas, all in one weekend are pretty remarkable. Then, as if that wasn't as busy as a Scout Group can possibly get, there were Venturers at a Venturer Workshop at Camp Sladdin and the Kea Club joined hundreds of other Keas from all over Auckland at National Kea Day celebrations.

What's in this bucket?

The Clevedon Cub Pack held a very successful camp with 2nd Manurewa Cub Pack at Awhitu Presbyterian Camp before the School Holidays. The weekend included water wars, with buckets and balloons; numerous challenges and games; a walk; and a campfire.

Our Mission Statement: Clevedon Scout Group will provide youth, adults and our community a challenging and positive experience within a safe environment

Bishop Joins the District Team

Bryan Lawrence, affectionately known as Bishop to the Clevedon Scout Group, has moved on from our Group to become the District Cub Leader. Bishop joined the Clevedon Group as a Cub Leader in 1999, fresh out of Venturers and was a very new Queen's Scout. Now five years on, Bishop has an enormous wealth of knowledge, a Woodbadge and enthusiasm that will make a huge difference to the District and its future.

Bishop will assist in the training and support of new Leaders, co-ordination of District Cub Activities and supporting the many varied activities of a busy Scout District.

Although we are very sad to see him depart our Group, we are thrilled that he is to take on new challenges and responsibilities in Scouting. ... and we anticipate that Bishop will make numerous guest appearances in the future at Clevedon activities.

Thank you for everything and all the best for your new role Bishop!

PIC CORNER

KEA INTRO EVENING

Come along for a free Introductory Kea Evening on 06 May 2004 6.00-7.00 pm at Camp Sladdin, Thorps Quarry Road, Clevedon. This is for children and their parents.

Please forgive our Noise...

If you hear a bit of a din at the den on 21 May 2004, please don't be too concerned, we promise it will be wrapped up at 1.00 a.m.

We are going to be having a good ole fashioned celebration in honour of Hayden McAllister's award of Queen's Scout ... and we, at the Clevedon Scout Group, reckon that 13 years of Scouting with an outcome of a Gold Duke of Edinburgh's Award and a Queen's Scout is worth celebrating!
