Issue 22, August 2004

At the end of July, the Keas, Cubs, Scouts and Venturers celebrated Scotland at it's Annual Winter Group Camp. Only the bravest Scout Clans were there for the gathering when the clans were called! Held at Motu Moana Camp - Green Bay, the young people participated in all kinds of Scottish activities during the weekend; even curling and strip the willow!

On Saturday morning, the camp tried their hand at crafts of Highland Cattle paper pegs, Sporrans, Tam 'o' shanters, Chocolate Haggis and Family shields. Later, there was a Highland Games with Caber Tossing, Bowls and Tug 'o' war.

After a campfire, the young people were treated to a performance by a

piiper, who stayed on to pipe in the Haggis which was duly addressed!

It was an amazing weekend which was full of memorable experiences, and for some ... *their first ever camp* ... one they will never forget!

## ALL GO FOR GARAGE GIG!

We are all go for our gigantic garage sale and gala on **12 September** at the **Clevedon School Hall from 10.00 am to 2.00 pm**. We are happy to accept donations of anything from anyone who would like to contribute. Phone Jo McAllister 09 2984363 or Jane James 09 2999567. It would be a great time to have a good old fashioned Spring clean-out, and we will happily dispose of your unwanted items! We are looking forward to seeing all our friends in the community so come along on 12 September and enjoy the day with us!

## Join the Scouting Adventure Today!

Mondays  
7.30-finish  
14½- 18½  
years

**Our Mission Statement: Clevedon Scout Group will provide youth, adults and our community a challenging and positive experience within a safe environment**

# 2004 Youth Leadership Awards

Last month, the Youth Leadership awards, for Counties-Manukau Area, were hosted by the Manukau Rover Crew. Clevedon Scout Group nominated three recipients, all who were honoured during the evening, for their work with young people in Clevedon and the surrounding Community.

"It is important that those who are under 25 in Scouting are recognised for the work that they do as Leaders with Youth. They give their leadership freely and often at the expense of their own social activities", said Tracy Hickford, Manukau Rover Crew Leader, during her presentation speech.

**Bryan Lawrence**, District Cub Leader – Papakura Scout District was nominated by the Clevedon Scout Group for his work in the area of Cub Leadership, recruiting of new youth and leaders for Scouting, and the training and support of Cub Leaders in the District.

**Jarrold Taylor** was nominated for his outstanding work with the Clevedon Scout Troop and previously with the Selwyn Scout Troop.

The ultimate award was given to **Hayden McAllister**, a leader with the Clevedon Cub Pack, for his work as a Cub Leader, Venturer Unit Chairman and Programme Activity Leader with Kea Scouts in the Clevedon Group.

We congratulate all of the recipients on their achievements in Scouting and for their commitment to the development of youth in the community.

## PIC CORNER

## Welcome to the Team!

The Clevedon Scout Group celebrates more new leaders and welcomes them to the world of Scouting.

**Justine Neale** joins the Clevedon Kea Club as an Assistant Kea Leader this month. Justine is a mum and a farmer so has a very busy life outside of Scouting. She has a special way of interacting with young people and we look forward to having her along to our Group.

A full-time mum with three children, **Victoria Marshall** joins the Cub Pack to take up an Assistant Cub Leader role. Victoria enjoys craft and creative activities and having fun with young people. Victoria (who has taken the name Baloo) is proving to be a very valuable member of our Leader Team.

## Muckin' In

The Clevedon Venturers have been out in the ARC parks around Auckland in the last couple of months giving some service to the Community in the much needed area of Tree Planting. Firstly the Venturers assisted with planting on Arbor Day at Ambury Farm Park, planting out manuka and erecting shelter cloth for the Shelter Belt on the shore front. More recently a Venturer and a couple of the Leaders of the Group planted karumu, kahikatea, pohutakawa, cabbage trees, flax and kohekohe at our own local Duders Regional Park.
