

CLEVEDON PUB FISHING COMPETITION FUNDRAISING FOR THE SCOUT GROUP 16 March 2003

Attended by:

Nelle, Paola, Hayden, Sez, Jo, Scouts, Parents from the Group

Features:

We assisted with the fishing competition finals. The fish were brought in and weighed and then there was an auction at the end and all the fish was auctioned off. Others from the Venturers and the Scout Troop were to tell the cars and boats where to park (in the school grounds) and direct the traffic around the Clevedon Pub carpark. Then provide some security for the carpark. The rest of the group was involved with the Sausage sizzle and other barbecued food which was given out at the competition. We had to clean up afterwards. The Group raised \$1400.00 for the auction and \$250.00 for the sausage sizzle.

Notable Events:

- Money we earned for the Group
- Nelle found \$10.00 in the carpark.
- Practising our auctioneering skills.
- All the fish was sold.
- There were some really really BIG fish.

We saw:

Money, fish, dishes and heaps of smelly fishermen.
