

# **KAI IWI LAKES CAMP (SCOUTS CAMP)**

## **28, 29, 30 March 2003**

---

### **Attended by:**

Sez, Nelle, Paola

### **Features:**

Some of us were invited to attend the Scouts camp at the Kai Iwi Lakes. We drove up there on Friday night but only got as far as Dargaville as the weather was bad for driving and the traffic had been really bad in Auckland making us very late. We stayed at the Dargaville Scout Hall for the night. Saturday we went to the camp and set up. Tely's parents arrived for a visit. We went for a hike on Saturday afternoon and went swimming in the lakes.

### **Notable Events:**

- Swimming
- The walk
- Food
- Wide game
- Card game
- Jack and Conor joining us in the car
- Planning some Venturer activities on the way back in the car
- The moonlight outside the car experience that we won't speak of in case we get told off.
- Sez hit the fence at Dargaville and broke it.

### **We saw:**

Water

Food

Scenary

Tely's family
