

Independent Liquor

25 November 2003

Attended by:

Jaxx, Gina, Nelle, Sez, Matt H, Matt J, Alex, Hayden, Paola, Conor

Features:

- Tour of the factory at the Independent Liquor. Saw how the alcohol was put into bottles and cans. We saw the processes that the cans and bottles took to being packed.

Notable Events:

- It was very loud so we had to wear ear plugs and we got to keep them ... !!
- We found out information we never knew.
- The guys seemed very interested in the beer that was flowing into the drain.
- Stay on the yellow trail and don't wander off it.
- The broken machine that was smashing all the bottles and wasting the Vodka Chocolate Mudshake.
- We got to keep some of the signs that were advertising different types of alcohol

We saw:

- Bottles
 - Workers
 - Yellow trail
 - Bottles being washed
 - Packing of bottles
