Activity Checklists

Activity Name
Scout Group
Scout District

Use this activity checklist for type B higher risk activities so that essential points are not overlooked.

The Activity Leader is to retain page two for the final check before commencing the activity.

The Group Leader will have a blank copy and may check off the items during the telephone discussions.

The week before the activity

Ring the Group Leader and confirm the following.

- Confirm who will be taking part and check their personal details. e.g. contact phone numbers etc.
- Check that there are no new health problems or concerns with the party members.
- All parents and caregivers have been advised of the activity and have provided signed consent forms.
- The contact person has been given an up to date copy of the Activity Intention Sheets and has been briefed as to their responsibilities.
- The party members gear has been checked to ensure they have the correct equipment
- The Forest and National Park Headquarters have been informed if the party is entering a park.

Discussed with the Group Leader Date Time

Before leaving on the activity

Ring the Group Leader and confirm the following.

- The weather forecast has been checked and is suitable for the activity to proceed.
- The list of party members names has been updated and the contact person has any changes.
- The contact person has any changes to the radio or cell phone contact schedule.
- The transport arrangements have been confirmed.

Discussed with the Group Leader Date Time

*It is particularly satisfying for you as a leader to have led a group of young people who have experienced a challenging and enjoyable activity.
Plan ahead, use Activity Checklists and Risk Management Flow Charts to minimise the risks and avoid negative experiences.*
